I work for Peninsula Light Company, we were told tha we need to file an annual reporting obligation for Brian McLean (a former employee of Peninsula Light that I've been told did not do any lobbying during the 2017 year. I'm not sure how to file this information since if I fill out the forms online I would be filling them out with my name. Please let me know how I can take care of this so that we can be in compliance.

Thank you,

Ryan Redmond
