

Get help or information - Louise Chernin

Louise reported 3 days ago (Fri, 11 Nov at 9:13 AM) via Portal Meta

Last year, my organization was registered under GSBA WA Safe Alliance and I now want the firm listed as Greater Seattle Business Association. GSBA and Greater Seattle Business Association are one and the same but I don't want it listed with the extension WA Safe Alliance. I am the same contact person, same address, phone and same tax ID. We also have a new lobbyist.
