

Zero Waste Washington reports

Heather Trim reported 14 hours ago (Mon, 15 May at 6:03 PM) via Email

To: pdcc@pdcc.wa.gov

Hello Chip,

I would like to note for your records that I mistakenly "saved" our reports earlier this year rather than "submitting" them into the online system. I now have a better understanding of how to accurately submit them. I was new at doing this online system this year. As of today, I should have accurately submitted all of our 2017 reports to date.

Thank you for your help!

Sincerely,

Heather Trim
