**Subject:** WACD Termination

Good Morning Chip,

Hope all is well! I am sending a note to inform the PDC that Jim Jesernig has terminated his contract with the Washington Association of Conservation Districts (WACD). The last invoice submitted to them was in August which I reflected on the August report but nothing for the September report.

Please let us know if you have any questions or if we need to do anything further on our end.

Thank you,  
Springer
