Dear PDC Staff,

Recently the PDC sent the enclosed request for the contact person for American College Emergency Physicians WA Chapter (WA-ACEP), Ms. Pauline M. Lynch, to ask her to certify the relationship with the group's lobbyist Susan S. Tracy.

Unfortunately Pauline's last day with WA-ACEP was January 14 and we do not believe that she took care of this certification before departing. We were able to retrieve the email that was sent to her, but we are unable to log in to the PDC website to reassign a new contact person for the group which will be Cailey Nickerson, WA-ACEP's new executive director. I am Ms. Nickerson's supervisor, the manager of the Association Management Department at WSMA, and I'm reaching out to ask for your assistance in making sure this gets straightened out as soon as possible.

We are hoping that you can help us with the following:

1. Please go ahead and certify the relationship between American College Emergency Physicians WA Chapter and the group's lobbyist Susan S. Tracy;
2. Please help Cailey Nickerson set up a new profile in the PDC website;
3. Designate Cailey as the official contact person for American College Emergency Physicians WA Chapter going forward.

Ms. Nickerson can be contacted via email: cailey@wsma.org.

Thank you very much for your assistance.

Regards,

Debra E. Alderman, MA Ed
